

BRIAN C. Stetson

STRENGTHS

Photography

I am Proficient in both digital and film photography for a broad range of applications including fine art, portrait, journalism, and commercial.

Digital Design

I combine my software experience along with my photography talent to develop simple creative and effective designs utilizing up to date techniques and original images wether these designs are intended for print or the web.

EXPERIENCE

Freelance Photographer, Present

As a freelance photographer I perform personal portrait shoots, special event shoots and commercial business shoots for promotion and advertising.

The University of South Carolina-Aiken, Department of University Advancement. Aiken, South Carolina, Aug 05-Jan 06

Student Assistant to the Director Visual Communications

As a part-time student assistant, I assisted the director in the development and maintenance of the University's website. I was also involved in various other marketing projects for the University's Advancement Department.

Howell Printing Inc., Aiken, South Carolina, Oct 04-Apr 05

I performed a variety of jobs including minor print work, design of projects, and deliveries. I gained experience in the use of several software applications and in customer relations.
